Secretary's Report:

Attendance at our General meetings is deplorable for a club that has 570 plus paid up members. We were unable to enact financial expenditures at our November 14 2017 meeting as only 17 members bothered to attend. I realize that we have a hardworking, efficient, positive, forward thinking executive acting in the best interest of the branch but we cannot accomplish the improvements we need without your approval to do so. It does not take much effort out of your day to spend a couple of hours once a month to allow your Executive to get the job done. Our General Meetings are the second Tuesday of each month except July and August beginning at 8:00 pm. Our meetings usually last 60 to 90 minutes. Please make an effort to attend. Positive suggestions are welcomed. Negative suggestions will be ignored.

Projects for 2018

- 1- Applications for grants to replace the tables in the Clubroom and Banquet room are being prepared for submission by March 2018.
- 2- A volunteer force to repaint the Banquet Hall has been formed and is just waiting for a break in branch activities.
3. Grants to replace the carpeting in the Front Entrance are being prepared for submission. It will be repainted as well.
4. Current lighting is being replaced by LED's as they expire.
5. Our Ladies Auxiliary is purchasing necessary equipment for our kitchen.

Parking Lot Paving Project

To this point 50 percent of our members have taken advantage of Early Bird savings. To get your early bird discount please pay at the bar as usual. Thank You Benjamin Pearce- Secretary.
