Next General Meeting. Branch General Meetings suspended till Sept 12th! Have a safe and happy summer everyone!

At the Sept General Meeting Ben will complete the motion that he tabled at our June meeting to comply with Command regulations for quorums.

That is - As tabled:

- 1) To repeal our present by-law which states a general meeting quorum is the number of executive present, plus an equal number of active members present, plus one additional active member. (No longer allowed by Command for branches with more than 20 active members)
- 2) To set our quorum requirement for General Meetings to 5% of our total active members as designated for the previous Membership accounting period. (Currently this is the smallest number for a quorum permitted by Command for branches with more than 20 active members)

Ben will so move, we will need to second and to vote to accept these by-law changes.
